## **Koons Appointed Member of ABV Credential Committee of the AICPA**

*For immediate release*

Tempe—September 1, 2009— Steve Koons, CPA, ABV, ASA, CFF and Director of the Valuation and Forensic Services group in the Tempe office of Henry & Horne, has been appointed as a member of the Accredited in Business Valuation (ABV) Credential Committee of the American Institute of Certified Public Accountants (AICPA) for the 2009-2010 volunteer service-year beginning in October.

Koons has served on the ABV Mentor Program task force for about a year and a half prior to this appointment.

The purpose of the ABV Credential Committee is to maintain and increase the viability, recognition and value of the Accredited in Business Valuation (ABV) credential, through programs designed to address market place recognition issues such as creating public awareness of the ABV as well as create and maintain pathway education.

The committee reports to the National Accreditation Commission which reports to the Board of Directors of the AICPA.

Congratulations to Steve on his appointment. This is a great step for his career as well as a positive involvement for Henry & Horne, LLP.
