

## Henry+Horne Named Among Best of the Best Firms for 2016

Henry+Horne has been named a Best of the Best firm by Inside Public Accounting for a second time. Only 50 CPA firms across the country receive this honor for overall superior financial and operational performance.

The right combination of planning, strategy and execution distinguish Best of the Best firms from among the more than 540 firms that participated in the annual survey and analysis. Best of the Best firms are evaluated on more than 70 criteria including growth, profitability, income, productivity, accountability, turnover, professional development and governance.

"We are super thrilled to be named one of 50 CPA firms that are considered the best of the best in the country. We are so proud of our talented team members, the culture we have all built at the Firm, and of course, our wonderful clients. It's an honor to receive these accolades and reinforces that the Firm is heading in the right direction," said Chuck Inderieden, Co-Managing Partner.

The IPA Best of the Best CPA firms demonstrate long-term consistency and exceptional performance. They also produce excellent financial results without compromising on training their professionals, planning far ahead and nurturing a culture where everyone – staff and clients alike – can succeed.
