Maas, Olsen help organize medical supplies for developing countries

Tempe—October 1, 2016—Jennifer Maas, Supervisor and Kelsey Olsen, Senior Associate volunteered at Project C.U.R.E.

They helped sort medical supplies and categorized them for doctors and nurses who will use them to create medical kits that are shipped to developing countries. Maas and Olsen volunteered as part of the Arizona Society of Certified Public Accountants' Emerging Leaders Service Event.

Project C.U.R.E. collects thousands of pounds of donated medical supplies and equipment – the majority of which are new – to help people around the world receive the treatment and health care they need.
