## Henry & Horne, LLP Acquires Centerpoint Advisors

*For immediate release*

Scottsdale—January 1, 2016—Henry & Horne, LLP is pleased to announce the acquisition of Centerpoint Advisors effective January 1.

Centerpoint Advisors has been serving clients across Arizona for nearly 20 years. Principal Jeffrey Wright, FASA, CFA, brings more than 30 years of experience to his new role as a Director in Henry & Horne, LLP's Litigation and Valuation Services Group. Wright believes the merger is a good fit because both firms are highly respected and the expertise, approach to exceptional client service and business philosophy all line up.

"I'm very excited to go from a solo practice to joining a group that will provide my clients a much more robust service. We've got a great team keeping up with all of the developments in the profession in order to better serve clients and I think they're really going to benefit quite a bit," said Wright.

"We are thrilled to have Jeff as part of the Henry & Horne team. With his years of experience and his superb reputation, he reinforces our already exemplary professionals in our litigation and valuation practice," said Chuck Inderieden, Co-Managing Partner.

Wright will be based out of the Firm's Scottsdale office.
