Henry & Horne Team Members Volunteer at the Children's Museum of Phoenix

For immediate release

Phoenix—April 30, 2016—Twenty-two Henry & Horne team members helped beautify the Children's Museum of Phoenix.

They spent more than two hours creating flower arrangements for the common areas, sorting through various crafts to help with organization and labeling food cans for the children's market. They also helped prepare 40 books by adding spines, tape and rounding corners which help the books have a longer life as they are read over and over by the children.

The museum is one of the top 10 children's museums in the country. It offers more than 300 play experiences, a diverse range of classes and programs, an art studio and more.
