Henry & Horne Employees Help Host Ice Cream Social at La Mesita

For immediate release

Mesa—July, 27 2016—Nearly 20 Henry & Horne team members and their families helped host an ice cream social and community resources fair at La Mesita Homeless Shelter.

The employees helped set up and decorate the facility, managed the activity table for the kids and helped tear everything down after the event finished up. Henry & Horne also donated 50 backpacks filled with more than 800 back to school items that they handed out to the kids.

In addition to working the event, team members also helped clean and organize the administrative offices and the after school program center.

La Mesita Family Homeless Shelter is the only family emergency shelter in the East Valley. They provide a range of services to families with minor aged children including temporary emergency shelter, assistance in securing permanent housing, behavioral services for children, workforce connections and more.
