

Henry+Horne named to 100 Best Arizona Companies

Henry+Horne has been named one of the “100 Best Arizona Companies” for 2017-2018 by BestCompaniesAZ as part of their 15th anniversary serving Arizona’s business community.

The 100 Best are chosen by invitation only based on sustained high levels of workplace performance or have a compelling story of start-up or transformation. Commitment to leadership and excellence and the economic impact made on Arizona are also factors in the selection process.

The Firm is recognized as part of the “Best of Wings” category, which honors companies for their entrepreneurial spirit, innovation, empowerment, freedom, creativity (and maybe disruption). Henry+Horne was also selected as one of the “100 Best Arizona Companies” in 2012.
