

Henry+Horne moves up list of Top 200 Firms for 2017

Henry+Horne has ranked on the Top 200 Firms list by Inside Public Accounting (IPA) for the eighth year in a row. The Firm moved up to number 127, making Henry+Horne the largest locally owned accounting firm in Arizona.

Henry+Horne has ranked every year since the list's inception. IPA Top 200 Firms are ranked by U.S. net revenues. This prestigious group joins the IPA 100 as the definitive ranking of the nation's largest public accounting firms.

"We are grateful for our continual growth and the great firm we have become. Thanks to all of our team members and clients that make our firm who we believe to be the best of the best as well as the best of the biggest," said Chuck Goodmiller, Co-Managing Partner.

Nearly 600 firms participated in the annual survey and analysis. The annual list helps to give a big picture look at the state of the accounting profession today.
