Dustin Minton returns to restaurants with Henry+Horne

Tempe, Arizona—January 28, 2019—Dustin Minton is returning to restaurants and has joined the Partner Group at Henry+Horne where he will team up with the head of the Restaurant Niche to grow the practice throughout the U.S.

"I'm excited to share that I've decided to join Henry+Horne's restaurant practice. I'm looking forward to getting back into the industry and reconnecting with and expanding my network," said Minton.

Minton specializes in assurance services for restaurants as well as consulting on best practices related to internal controls, benchmarking, franchising, corporate structures, financing options and growth strategies.

Before joining Henry+Horne, he was a Partner and Co-Leader of the National Restaurant Industry Group at BDO and served as Co-Director of Restaurant Services at SS&G, where he worked with many of the nation's fastest-growing restaurants and most well-respected brands. His background also includes six years at PricewaterhouseCoopers' Cincinnati and New York City offices.

Minton is returning to public accounting after a five-month sabbatical. He's always been an avid global traveler and took time off to visit six continents (he's already been to Antarctica!), recharge and contemplate the next chapter of his career.

"Henry+Horne is a great match culturally and reminds me of my time at SS&G. The Firm presented a great opportunity for me to jump back in and still get to focus exclusively on restaurants with a firm that's totally committed to the industry," said Minton.

Henry+Horne is the largest locally owned accounting firm in Arizona and the third largest accounting firm in Phoenix. The Firm has clients throughout the Southwest. Though Henry+Horne's headquarters is in the Phoenix area, with Minton on board and based in Ohio, the Firm will expand its restaurant practice across the country.

Henry+Horne specializes in a range of services for restaurants including compiled, reviewed and audited financial statements; tax planning and preparation services; accounting services; consultation services for interpreting financial

statements; mergers and acquisitions; assistance with financing transactions; best practices relating to internal controls, benchmarking and growth strategies; and wealth management.

The Firm also offers restaurants several complimentary education resources including a bi-weekly [blog](#), a quarterly [newsletter](#), continuing education for clients and a tax and revenue recognition [e-Book](#).

“What I like about Henry+Horne is that you can get all the services you need from highly experienced CPAs under one roof, no matter where you’re located, *and* you get the personal attention and touch you would from a local CPA,” said Minton.
