Henry+Horne joins BDO Alliance USA

Tempe—March 1, 2019—Henry+Horne, formerly a member of the LEA Alliance, has joined the BDO Alliance USA, a nationwide association of independently owned local and regional accounting, consulting and service firms with similar client service goals.

“We believe the professionals of Henry+Horne share BDO’s commitment to exceptional client service and we want to welcome them into the BDO Alliance USA,” said Michael Horwitz, BDO USA, LLP Partner and Executive Director of Alliance Services.

As an independent member of the BDO Alliance USA, Henry+Horne can expand the services offered to clients by drawing on the resources of BDO USA, LLP, one of the nation’s leading professional services firms, and other Alliance members. The Alliance enhances member firm capabilities through the availability of supplementary professional services, comprehensive management consulting services, focused industry knowledge, customized state-of-the-art computer systems and internal training programs.

“Our client base here in Arizona is increasingly doing business in other domestic markets and foreign countries. While we already have a very robust international specialization, the BDO Alliance USA will enhance our ability to serve these clients as they expand regionally, nationally and globally, while maintaining our autonomy,” said Chuck Goodmiller, Co-Managing Partner of Henry+Horne.

“In addition to the geographic benefits, our Firm will have access to more technological resources such as data analytics as well as future resources in the area of artificial intelligence that will allow us to continue to evolve with the innovative advancements in the accounting industry,” said Chuck Inderieden, Co-Managing Partner of Henry+Horne.
