Henry+Horne welcomes slate of new partners/principals

Tempe – June 1, 2020- Henry+Horne is excited to announce the admittance of Kevin C. Bach, CPA, CVA; Jessica Moulder, CPA, CFE; and Sharlynn Garza, CPA to the partnership and Jaimi Koechel as Principal.

Kevin Bach specializes in “big data” and has built the data analytic niche from the ground up. He is experienced in setting up interactive dashboards and visualization tools across a variety of platforms which allows for companies to improve internal operations, review operations for effectiveness and identify cost savings or revenue production opportunities. As Partner in charge of the data analytic niche, he continues to serve a broad range of clients across all industries.

Kevin joined Henry+Horne in 2012 with over 14 years of experience in the accounting industry.

Sharlynn Garza goes above and beyond to help her nonprofit clients with any problem they have. She knows nonprofits often have fewer resources than other organizations so she’s always happy to go the extra mile for them. She specializes in providing services for nonprofit health care, membership organizations and grant-making foundations. As a Firm partner, Sharlynn focuses on using her knowledge and experience to help her clients find solutions to their issues or problems.

Sharlynn joined Henry+Horne in 2003 and brings with her over 22 years of experience in accounting.

Jessica Moulder knows the key to providing invaluable accounting services to organizations is to become an integral part of that organization’s accounting processes. Jessica assists clients with filling the gaps in their accounting structure and provides consultation and training on how to streamline their accounting functions, improve segregation of duties and efficiently utilize their accounting software. As a partner, she oversees accounting services for a variety of industries including not-for-profit and service organizations.

Jessica joined Henry+Horne in 2005 and has over 20 years of accounting experience.

Jaimi Koechel knows the power of making connections. As a Firm Principal, Jaimi leads the Firm’s Marketing Department and guides the Firm’s business development. She provides support and the framework necessary to encourage all firm employees to think strategically in their day to day interactions and assists them in building relationships and growing the Firm’s individual niches. Jaimi is the first marketing professional to join the Henry+Horne leadership team.

Jaimi joined Henry+Horne in 2005, bringing with her 19 years of marketing experience.

"We are thrilled to have Jessica, Jaimi, Kevin and Sharlynn join Henry+Horne's partnership/principal group. Each brings unique skills and vision. They have dedicated themselves to advancing the Firm while providing exceptional client focused service. They are all deeply deserving of their promotions," said Co-Managing Partners Chuck Goodmiller and Chuck Inderieden.
