Henry+Horne named to Best Accounting Firms to Work For list

Tempe—July 30, 2021— Henry+Horne was named on Accounting Today's 2021 Best Accounting Firms to Work for list. The companies on the list are those that excel at creating quality workplaces for employees.

Henry+Horne values it's employees and has worked hard to create an environment where employees feel appreciated and encouraged to grow. People first isn't just a slogan, it's a part of Henry+Horne's culture.

The national survey and awards program is designed to identify, recognize and honor the best employers in the accounting industry, benefitting the industry's economy, workforce and businesses. There are over 45,000 CPA firms in the country, but only 100 make the list.

The process to determine the Best Accounting Firms to Work for consists of a two-part survey. The first part evaluates nominated companies' workplace policies, practices, philosophy, systems and demographics. This part is worth approximately 25% of the total evaluation. The second part of the survey measures employee experience. Employees fill out a questionnaire that is worth approximately 75% of the total evaluation. The combined scores determine the top companies and the final ranking.
