Henry+Horne Walks to End Breast Cancer

Tempe—October 31, 2022— Henry+Horne team members put on their walking shoes in October to do their part to help end breast cancer, participating in the annual Making Strides Against Breast Cancer Phoenix walk.

Over 30 team members, family and friends joined 30,000 other walkers in a beautiful morning three-mile stroll at Tempe Beach Park. Henry+Horne donated \$2,500 to the American Cancer Society. The event raised over \$1,080,000.

The American Cancer Society started Making Strides Against Breast Cancer to unite communities, companies and individuals with a collective goal to end breast cancer as we know it. Making Strides is more than just a walk, it's a movement, dedicated to integrating advocacy, discovery and patient support to measurably improve the lives of cancer patients and their families.
